STRIVE (Sexual Trauma/Interpersonal Violence Education) is currently seeking volunteer peer educators. STRIVE is the UF student group dedicated to preventing interpersonal violence. We are peer educators advised by GatorWell Health Promotion Services who are involved in outreach, education, and advocacy initiatives. We work to:

- Increase recognition that sexual violence is a learned behavior
- Teach bystander intervention techniques
- Address the role of consent in sexual relationships
- Involve students of all gender identities as active leaders and role models in interpersonal violence prevention
- Address alcohol and other drug issues as they play a role in interpersonal violence
- Provide concepts that encourage healthy and consensual sexual relationships
- Dispel traditional beliefs associated with sexual violence

For more information about STRIVE, visit our Facebook page and the website!
